OVERVIEW

Mission Statement	Our business philosophy is to offer good workmanship and customer service
Accreditations	We are a 5-Star member of RMI We are VAT registered We work with insurance companies such as; Innovation, Motorite, M-Sure, Mysure, King Price, Dotsure, Guardrisk and many more
Company History	Vision Motors is a registered motor vehicle workshop, establishes in 1992. From the Start, Vision Motors grew and expanded at a healthy pace. Part of the reason for this is that the company is run by the owner himself who is always onsite to give personal advice and help to his customers. Vision Motors has currently been in business for 34 years and during this period, our customers became our friends. We have been located at the same premises for many years.
